

CERTIFICATE

Conformity of factory production control

2516-CPR-1008-059-13808

As per Construction Products Regulation 305/2011 of the European Parliament and Council dated 9th March 2011, laying down harmonised conditions for the marketing of construction products and repealing Directive 89/106/EEC, published in the Official Journal of the European Union on 4th April 2011, it is hereby confirmed that

the construction products:

**Bitumen and bituminous binders.
Framework for the specification cationic
bituminous emulsions**

produced by manufacturer:

**BMI Productie Nederland B.V.
Heeswijk 155
3417 GP Montfoort
Netherlands**

at delivery works:

**BMI Productie Nederland B.V.
Hoendiep 316
9744 TC Groningen**

are subject to initial testing and in-house production control by the manufacturer.
The certification body confirms that the initial inspection of the manufacturer's plant and the factory's production control (2022) and an ongoing monitoring and assessment of the factory's production control were carried out on December 11, 2023.
This certificate confirms that all processes prescribed to demonstrate the conformity of the construction products as per

Appendices ZA of standard:

EN 13808: 2013

were conducted and found to comply with the requirements referred to therein for the declaration of performance under System 2+.

The certificate was first issued by bupZert GmbH on 09.02.2016 and is valid until 31.12.2024. It shall however remain valid provided there are no significant changes in the definitions of the technical specifications set out, or manufacturing conditions in the factory, or in-house production controls.
