

CERTIFICATE

Conformity of factory production control

2516-CPR-1008-038-14023

As per Construction Products Regulation 305/2011 of the European Parliament and Council dated 9th March 2011, laying down harmonised conditions for the marketing of construction products and repealing Directive 89/106/EEC, published in the Official Journal of the European Union on 4th April 2011, it is hereby confirmed that

the construction products:

**Bitumen and bituminous binders.
Framework for specifying polymer-modified
bitumen**

produced by manufacturer:

**Icopal B.V.
Hoendiep 316, Postbus 70038
9704 AA Groningen**

at delivery works:

**Groningen
Hoendiep 316, Postbus 70038
9704 AA Groningen**

are subject to initial testing and in-house production control by the manufacturer.

The certification body confirms that the initial inspection of the manufacturer's works and in-house production control (2011), and ongoing monitoring and assessment of in-house production controls were carried out on 08.06.2021.

This certificate confirms that all processes prescribed to demonstrate the conformity of the construction products as per

Appendices ZA of standard:

EN 14023: 2010

were conducted and found to comply with the requirements referred to therein for the declaration of performance under System 2+.

The certificate was first issued by bupZert GmbH on 09. 02. 2016 and is valid until 30. 09. 2022. It shall however remain valid provided there are no significant changes in the definitions of the technical specifications set out, or manufacturing conditions in the factory, or in-house production controls.
